

## **Tools to Encourage Dialogue & Discussion**

### **Promote inquiry**

*(ask for others ideas before launching into your own)*

Gets ideas on the table

### **Pause**

*(pause before blurting out your ideas)*

Allows time for everyone to think

### **Paraphrase**

*(repeat back someone's idea in your own words)*

Helps with clarity and shows you value the idea

### **Probe**

*(ask follow up questions)*

Helps clarify group thinking

### **Put Ideas on the Table**

*(speak up!)*

Gets input from everyone

### **Pay attention to yourself and others**

*(be aware of how you say things and how people respond to you)*

Improves group functioning

### **Presume positive intentions**
