

Holiday Gift Packet List

Thank you for participating in NorCal Resist's Holiday Program. The following are the holiday gift packets that we have put together for this year's program. After doing the holiday program for the past 3 years, we have decided to change the method we do this program because of the feedback we have received. This revamped holiday program also better aligns with NCR's mission and goals. The items in the holiday packets you see here may seem very basic items, however, they are actually essential items that have been continually requested in previous holiday programs and throughout the year in general. Once the sponsor chooses one or more holiday gift packet(s), the sponsor should buy each item listed on the holiday gift packet list (Ex. Winter Clothes (M): 1 warm jacket, 1 winter set, 1 pair of socks). Sponsors are welcome to add additional items to the holiday gift packet, but it is not required. Sponsors will not be assigned a specific family or person, so the sponsor can choose which size clothing they wish to purchase. All sizes listed in the Holiday Gift Packets are needed. We also request that these items are new and not used, we unfortunately have people donate used items at times that are not usable. When a holiday gift packet category has a size, please make sure to write which size you chose on the gift (Ex. Bedding - King). If you have additional questions, feel free to contact araceli@norcalresist.org.
