Story for All Ages	“Reshaping Tomorrow”	Rev. Alex
Chalice Lighting	“Heartbeat” song by Danit	Vicky Jungers

*Behind all illusions, there's reality
Reminder of simplicity
Surrender our souls to the mystery
Opening our hearts completely
Behind all illusions, there's reality
Reminder of simplicity
Surrender our souls to the mystery
Opening our hearts completely
We're circling around and around and around in this wheel of life
Breathing in and out life, breathing in and out love
Connecting all there is and embracing
Here and now, here and now, here and now
Misunderstanding and tricky games of the mind
Try to wake us up from time to time
They try to shake us up inside
But they invite to realize
That we're circling around, and around, and around in this wheel of life
Breathing in and out life, breathing in and out love
Connecting all there is and embracing
Here and now, here and now, here and now...*

Benediction**

Rev. Alex

*If we only seek, we won't find
'Cause seeking makes human hearts blind
If we only seek, we won't find
'Cause seeking makes human hearts blind
Be open and trust
'Cause what may come to you will come right through you
To you, through you...
Circling around, and around, and around in this wheel of life
Breathing in and out life, breathing in and out love
Connecting all there is and embracing
Here and now (here and now, here and now)*

Closing Words

***As we go forth, may we carry the flame of Love,
and Peace with Justice, until we meet again,
Blessed Be***
